Institute ID: 2025-12-19300
India

Subject: Full Accreditation Approval

In reference to your prestigious academy's recent evaluation with IAO.

This is to make a formal announcement that The Edufrontiers Teachers Training Academy has recently been approved for international Accreditation status by IAO.

We would like to congratulate you on the successful approval by the internationally certified evaluation commission.

Our committee members have found your institution eligible for IAO's accreditation.

Your institution is one of the very few applicants whose accreditation has been approved from India by our committee members.

- The institution's profile, objectives and target articulations were imparted to IAO and esteemed appropriate. Moreover, the institute's main goal and vision explanations are plainly characterized.
- The institute's administration structure is imparted to IAO and it was resolved that the institution had qualified people to finish the everyday operations relating to this institute.
- The institution has aggregate numbers of programs, the names and subtle elements of the projects, incorporating structure is imparted to IAO.
- Based on the evaluation, the institution includes all the essential pleasantries that would be asked for of an establishment of this nature. Counting breakthrough record keeping offices and promptly accessible data. The above, includes significantly more positive viewpoints to the organizations profile, which assists with our assessment.

The final verdict of all the above review, evaluation and positive comments from the monitor drove IAO's administration arriving at the conclusion that this prestigious foundation fits the bill for IAO's prestigious accreditation with attractive results. This will bring about IAO formally perceiving the foundation as an authorize association.
